 DEPUTY CLERK

Synes, et al, Plaintiffs vs.
 Kessler, et al, Defendants
 Civil Action No. 3:17-cv-00072

Dear Judge Moon,

On this 13th day of December, 2021, I
 Christopher Cantwell, was summoned by staff
 at the Central Virginia Regional Jail for some
 legal mail. The mail turned out to be ECFs 1985
 and 1986, one report and one order by Judge
 Hoppe, pertaining to Plaintiffs' motions for
 attorneys fees. The Court considered the
 motions unopposed because nobody responded
 within 14 days, as of 12-1-2021.

I thought it worth noting that, while I
 recall some much earlier back and forth on this
 subject, I have not gotten any mail from the
 Plaintiffs since the trial ended. I don't suppose
 I'm in any position to argue against the motions
 at issue, and I am not particularly concerned with
 my codefendants' finances. But I sure do hope
 the Court does not rule on any more allegedly
 "unopposed" motions which imperil my interests,
 because this familiar pattern of excluding
 me from correspondence in this case, seems

to be responding to the incentives of its
being permitted.

Respectfully Submitted,
Christopher Cantwell
